

The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. NOTE: Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, call (708) 597-1832. For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other underlined terms, see the Glossary. Important Questions	Answers	Why This Matters:
<p>What is the overall <a href="#">deductible</a>?</p>	<p><a href="#">In-Network</a>*: \$500/individual or \$1,500/family  <a href="#">Out-of-Network</a>: \$660/individual or \$1,980/family                      *Certain <a href="#">out-of-network claims</a> are treated as <a href="#">in-network claims</a> as required by No Surprises Act.</p>	<p>Generally, you must pay all of the costs from <a href="#">providers</a> up to the <a href="#">deductible</a> amount before this <a href="#">plan</a> begins to pay. If you have other family members on the <a href="#">plan</a>, each family member must meet their own individual <a href="#">deductible</a> until the total amount of <a href="#">deductible</a> expenses paid by all family members meets the overall family <a href="#">deductible</a>.</p>
<p>Are there services covered before you meet your <a href="#">deductible</a>?</p>	<p>Yes. <a href="#">In-Network Preventive Care</a> and <a href="#">In-Network Prescriptions</a> are covered before you meet your <a href="#">deductible</a>.</p>	<p>This <a href="#">plan</a> covers some items and services even if you haven't yet met the <a href="#">deductible</a> amount. But a <a href="#">copayment</a> or <a href="#">coinsurance</a> may apply. For example, this <a href="#">plan</a> covers certain <a href="#">in-network preventive services</a> without <a href="#">cost-sharing</a> and before you meet your <a href="#">deductible</a>. See a list of covered <a href="#">preventive services</a> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a>.</p>
<p>Are there other <a href="#">deductibles</a> for specific services?</p>	<p>Yes. Dental Benefit – \$75/individual or \$225/family.                      Ortho and periodontal - \$75/individual or \$225/family. There are no other specific <a href="#">deductibles</a>.</p>	<p>You must pay all of the costs for these services up to the specific <a href="#">deductible</a> amount before this <a href="#">plan</a> begins to pay for these services.</p>
<p>What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a>?</p>	<p>Medical <a href="#">In-Network</a>*: \$3,000/individual or \$9,000/family                      Medical <a href="#">Out-of-Network</a>: \$5,760/individual  <a href="#">Prescription In-Network</a>: \$3,850/ individual or \$4,700/family                      *Certain medical <a href="#">out-of-network claims</a> are treated as medical <a href="#">in-network claims</a> as required by No Surprises Act.</p>	<p>The <a href="#">out-of-pocket limit</a> is the most you could pay in a year for covered services. If you have other family members in this <a href="#">plan</a>, they have to meet their own <a href="#">out-of-pocket limits</a> until the overall family <a href="#">out-of-pocket limit</a> has been met.</p>
<p>What is not included in the <a href="#">out-of-pocket limit</a>?</p>	<p><a href="#">Premiums</a>, <a href="#">balance billing</a> charges and health care this <a href="#">plan</a> doesn't cover.</p>	<p>Even though you pay these expenses, they don't count toward the <a href="#">out-of-pocket limit</a>.</p>

Important Questions	Answers	Why This Matters:
Will you pay less if you use a <a href="#">network provider</a> ?	Yes.* See <a href="http://www.bcbsil.com">www.bcbsil.com</a> or call (800) 571-1043 for a list of <a href="#">network providers</a> . You can also call the Fund Office at (708) 597-1832. * <a href="#">Out-of-network providers</a> may be treated as <a href="#">network providers</a> as required by No Surprises Act.	This <a href="#">plan</a> uses a <a href="#">provider network</a> . You will pay less if you use a <a href="#">provider</a> in the <a href="#">plan's network</a> . You will pay the most if you use an <a href="#">out-of-network provider</a> , and you might receive a bill from a <a href="#">provider</a> for the difference between the <a href="#">provider's</a> charge and what your <a href="#">plan</a> pays ( <a href="#">balance billing</a> ). Be aware your <a href="#">network provider</a> might use an <a href="#">out-of-network provider</a> for some services (such as lab work). Check with your <a href="#">provider</a> before you get services.
Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a> ?	No.	You can see the <a href="#">specialist</a> you choose without a <a href="#">referral</a> .

 All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
